

AppleCare+ with Theft and Loss Program Summary and Disclosure

Please read this Disclosure to ensure your understanding of how AppleCare+ with Theft and Loss works. You will be provided with plan documents evidencing coverage shortly after purchase.

AppleCare+ with Theft and Loss is an optional device protection program that provides combined benefits under a service contract (AppleCare+) for hardware coverage, technical support, battery depletion, and accidental damage from handling (ADH), and an insurance policy (Theft and Loss) for loss and theft coverage. AppleCare+ with Theft and Loss is subject to certain terms, conditions, and limitations available at www.aigtheftandloss.com.

The program also provides coverage for accessories included in your device's original packaging, subject to applicable terms and conditions. Technical support is provided by Apple under AppleCare+ and begins after your product's complimentary support period ends.

Coverage includes:

• AppleCare+¹

- 24/7 priority access to Technical Support
- Software support for apps
- Express Replacement Service
- Battery Depletion coverage
- Accidental damage coverage

• Theft and Loss Coverage²

AppleCare+ or Theft and Loss Coverage may be purchased separately.

Theft and Loss Coverage requires you to have Find My iPhone enabled on your device at the time it is lost or stolen.

AppleCare+ with Theft and Loss provides coverage for:

- up to 2 incidents of accidental damage from handling every 12 months from your date of purchase provided by Apple under AppleCare+, subject to the service fees listed below; and
- up to 2 incidents of theft or loss every 12 months from your date of purchase provided by AIG under Theft and Loss, subject to the deductibles below.

- Start a claim online by visiting support.apple.com or call 800-APL-CARE (800-275-2273).

For an approved theft or loss claim under AppleCare+ with Theft and Loss, we will provide a replacement product that is new or equivalent to new in performance and reliability. In addition, you will need to follow the instructions we give you, including but not limited to logging into your iCloud account to place your device in Lost Mode, erase your device, and/or disable your device as instructed at the conclusion of the claim process.

For approved accidental damage claims, Apple will either repair the covered product using new parts or parts that are equivalent to new in performance and reliability, or will provide a replacement product that is new or equivalent to new in performance and reliability. In addition, you will need to follow the instructions given to you, including but not limited to refraining from sending Apple products and accessories that are not subject to repair or replacement service and packing the covered device in accordance with shipping instructions.

Express Replacement Service may require a credit card authorization to serve as security for the retail price of the covered device or part, plus shipping costs. If you do not return the replaced product or part as instructed, or return a replaced product or part that is ineligible for service, your credit card will be charged for the applicable, authorized amount, set forth at <https://support.apple.com/iphone/repair/service/express-replacement>.

Repair or replacement service will be limited to the options available in the country where you request service.

Exclusions under both benefits include⁵: Damage or loss resulting from normal wear and tear, reckless, abusive, willful, dishonest or intentional acts, fire, Acts of God, and device usage outside manufacturer's permitted or intended use; serial number alteration, voluntary parting with the covered device (including inducement to do so by fraud or false pretense), and illegal trade or confiscation by a government authority; use of unauthorized parts and unauthorized service of device; preventative maintenance, cosmetic damage, and pre-existing conditions or defects subject to manufacturer's limited warranty or recall.

FOR YOUR LOST OR STOLEN CLAIM TO BE ELIGIBLE FOR COVERAGE, FIND MY IPHONE MUST BE SWITCHED ON AT THE TIME THE DEVICE IS LOST OR STOLEN AND MUST REMAIN ENABLED AND ASSOCIATED WITH YOUR APPLE ID THROUGHOUT THE THEFT OR LOSS CLAIM PROCESS.
